

Resume

Name: Neela Pranavi

Email: neelapranavi@gmail.com

Phone: 994544782

Summary:

Aspiring Software Developer | AI & ML Enthusiast | Innovator in AgriTech & EdTech

Passionate and results-driven developer with hands-on experience in full-stack development and AI-driven applications. Interned at a gaming startup, contributing to frontend and backend development for user enrollment and leaderboard functionality. Currently developing projects in AgriTech and EdTech, including a deep learning-based crop protection system and a VR-powered programming learning platform. Strong problem-solving skills, a learning mindset, and a drive to innovate in technology.

Key skills include Python, Machine Learning, AI, Full-Stack Development, and UI/UX Design. Eager to leverage technical expertise and creativity to develop impactful solutions.
